MIDPOINT

We are so grateful to have you on our design team for the **[NAME OF PROJECT]**.

Since we're halfway through our process (**[X]** design sessions done, **[X]** more to go!), we wanted to take this opportunity to get your feedback. We'll use this feedback to shape the last few sessions.

(This survey is anonymous.)

- Q1. How are you feeling with the sessions? What's really working for you and/or not working for you in our sessions
- Q2. What ideas do you want to make sure we cover in our next three sessions?
- Q3. Any other feedback or ideas you want to share?

ENDPOINT

Thanks again for being part of the advisory council for our research!

This is an anonymous feedback form.

- Q1. What were the best parts / what worked best during our meetings?
- Q2. If we have a similar research project in the future, how can we make the group experience better?
